

INT. CLASSROOM - MORNING

Emma races in. All the other STUDENTS are in their seats staring forward. The TEACHER has her back to the class.

1 EMMA  
Sorry I'm late, Miss.

Emma sits in the back. The teacher turns, she's a ZOMBIE!

2 EMMA  
What?!?!?

The teacher points at the blackboard where, "Zombie Cola" is written in large messy letters.

3 TEACHER  
(like a zombie)  
Zombie cola. For homework, everyone must drink three Zombie Colas.

4 EMMA  
But miss. I'm not allowed --

5 TEACHER  
EVERYONE!

6 EMMA  
(quietly to the kid in front of her)  
What's her problem?

The kid turns and he's also a zombie.

7 EMMA  
(shocked)  
What's going...

The next kid turns and then the next. Each child in her class is a zombie!

8 EMMA  
...on?

They all stand and start shuffling toward Emma, holding out cans of Zombie Cola.

9 BOY  
Drink....

10 GIRL  
Cola... good!

11 EMMA

No! I don't want to... No, NO!!

Emma rushes out the door into the hall.

INT. HALLWAY - CONTINUOUS

She grabs a chair and jams it against the door. The zombie kids and teacher claw at the window in the door.

12 EMMA

Jeez! I've heard of a sugar crash,  
but this is ridiculous

(to herself)

What do I do?

(she knocks on her head)

I'm going to need you, Storm.

Her head POPS open on it's hinge and Storm squeezes out and he stands in front of her.

13 STORM

Okay, okay... Sheesh!

(sees the zombies)

AHHHH!! Zombies!! I hate Zombies.

14 EMMA

What are we going to do?

15 STORM

There's only one safe way to turn a  
Zombie back into a kid... and  
that's a pie in the face!

Storm holds up a large CREAM PIE. He hands another one to Emma and opens the door. The zombie kids pour out.

Storm throws a pie in the first kid's face. The boy wipes off the cream and is normal again.

16 KID

Hey, what happened?

17 STORM

(to Emma)

Keep going!!

18 EMMA

Ahhh!! Take THAT. And that!

Both Storm and Emma keep throwing pies at the kids until there's only one zombie left... the teacher!
